II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal court jurisdiction? (check all that apply)

☒ Federal question

☐ Diversity of citizenship

Fill out the paragraphs in this section that apply to this case.

When is law enforcement invasion
 of an individual personal identity
 legally criminal? Like in my
 situation with Farmington Hills P.D.

A. If the Basis for Jurisdiction Is a Federal Question

List the specific federal statutes, federal treaties, and/or provisions of the United States Constitution that are at issue in this case.

HeinOnline's U.S. Statutes at Large Library provides searchable, online access to Public Laws, Private Laws, Presidential Proclamations and treaties published in the US Statutes of Large from 1789 to the present. I began using it in 1976 - 2011.

B. If the Basis for Jurisdiction Is Diversity of Citizenship

1. The Plaintiff(s)

a. If the plaintiff is an individual

The plaintiff, (name) Brandy Marie Liang, is a citizen of the State of (name) Michigan.

b. If the plaintiff is a corporation

The plaintiff, (name) Brandy Marie Liang, is incorporated under the laws of the State of (name) Michigan, and has its principal place of business in the State of (name) Michigan.

(If more than one plaintiff is named in the complaint, attach an additional page providing the same information for each additional plaintiff.)

2. The Defendant(s)

a. If the defendant is an individual

The defendant, (name) Officer Rosenick, is a citizen of the State of (name) Michigan. Or is a citizen of (foreign nation) _____.

b. If the defendant is a corporation

The defendant, (name) Police Department, is incorporated under the laws of the State of (name) Michigan, and has its principal place of business in the State of (name) Michigan. Or is incorporated under the laws of (foreign nation) Michigan, and has its principal place of business in (name) Farmington Hills.

(If more than one defendant is named in the complaint, attach an additional page providing the same information for each additional defendant.)

3. The Amount in Controversy

The amount in controversy—the amount the plaintiff claims the defendant owes or the amount at stake—is more than \$75,000, not counting interest and costs of court, because (explain):

5 million \$

III. Statement of Claim

Write a short and plain statement of the claim. Do not make legal arguments. State as briefly as possible the facts showing that each plaintiff is entitled to the damages or other relief sought. State how each defendant was involved and what each defendant did that caused the plaintiff harm or violated the plaintiff's rights, including the dates and places of that involvement or conduct. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

6/17/18 Misdemeanor charge for Domestic Violence by Farmington Hills Police Department when I was physically attacked, and husband called police and reported false allegations. I received a mis- my husband grabbed me, wrestled me to the ground, and I struggled to get him off of me. Police said I explained how I was attacked and I was never read my Miranda Rights and I was handcuffed and brought to jail. The next morning I was told I was sitting in no contest and would have a court date on 6/25/18 for a pre-trial conference. I never had to pay a \$1,000.00 bond to leave the jail on 6/17/18 although the police report states I did, therefore I should have been discharged. I am without having to follow up with a misdemeanor charge. To me this seemed like a FRAME UP by the Farmington Hills Police Department. I asked if there was any paperwork for my court date, however they denied it and said, "Hopefully you can afford a private lawyer because our jail lawyers will just screw you up more." And was saying how he felt my insignificance and made comments about me being a model and a social worker, and my family making reports about how they wanted my husband. I was discriminated against.

I am claiming Resentment Against the City of Farmington Hills Police Department. I am claiming Racial Profiling, Entrapment, Frame Up, malicious intent against the Police Department of Farmington Hills, Derrick George Law Offices P.C., and 47th District Court for framing me as the criminal, assigning me a misdemeanor trial on assault and battery charge when actually I was the victim and attacked.

I am claiming Breach of contract, misrepresentation and violation of my consumer protection laws against the Law Offices of Derrick E. George P.C. = malpractice, failure to my contacts especially my sister and I hired Law Offices of Derrick E. George. (Derrick did not provide proper legal services and inappropriate did not work in my favor.) When I hired Derrick George's law office for attorney service I was under the belief that he would be my private attorney, but he did not show it. I informed him about my case with the discussed the plan of action with me for pre-trial court case, did not discuss the process of the upcoming court hearing but instead represented others to my disadvantage. I am claiming Violation of my personal privacy against Derrick E. George and while in his office for *violation of my personal privacy against Derrick E. George and while in his office for the one and only time I stated that he should read my text messages on Facebook and did not give me a further explanation about this when I asked him questions. I told him I would have a break of my personal privacy and information last he did not listen to me seriously and he invaded my privacy by contacting my family members, people I saw and contacts in my phone to gather info. He started contacting me via my email, my mobile agency and started plotting with a girl named Shantae Semias + me. Derrick I am claiming invasion of my privacy because when I went to the bank he was on my bank account and I could not access my bank account with out the bank teller contact Derrick George first. (I was unaware of a new person on my bank teller contact Derrick George was attempting to do to my life, but quickly caught on to how he was attempting to interfere and sabotage my functions and goals.)

fractured from my husband on the evening of 8/24/18 of the incident of when ~~he~~ was attacked, harassed, racially profiled, discriminated against and brought to jail.

- Derrick stated that the bench trial on 6/20/18 meant that my charges dismissed so therefore I was never convicted of the false assault and battery charge for domestic violence. But I was still on file at the court for jail for this ~~charge~~ false charge and received a copy of the misdemeanor ticket in my file I requested from the clerk.

• Derrick contacted my husband and made inappropriate verbal statements to him about me for example, Derrick told Terrence per Terrence, "I will put her on house arrest for you if you would like."

* While I traveled to New York with Terrence for my modeling internship I found out that Derrick was communicating with my model agent and planning on how to interfere with my model call backs in any way possible and he ended up turning off my alarms so I didn't wake up in time for receiving my wristband pickup for my model talent internship.

* I am claiming Breach of contract, Breach of warranty, misrepresentation, violation of consumer protection laws, intentional legal misconduct, malpractice, interference with business relationships or unfair trade practices and discrimination in provision of services Against the LAW OFFICES OF Derrick E. Gorge.

• Upon returning to Michigan for my IMTA trip I phoned my husband with certificate missing from my hotel room and informed that Derrick had once again invaded and violated my privacy by entering my hotel room. I was informed by hotel manager (Bernadette) that I would receive a subpoena from court to obtain a copy of the investigation report that show that date and time someone (Derrick) entered my hotel room and stolen Terrence's birth certificate.

• Derrick continued to contact people I know and make verbal threats and degrading statements. He seemed very jealous of my relationships, accomplishments and would attempt to do anything to do anything to destroy and sabotage any and all parts of my life.

• When I was looking into moving back into the Portsmouth apartment where I lived in the past I went to the office and they stated that Derrick had contacted them for and was telling them information so I could not obtain an apartment at the Portsmouth apartment complex.

• I have had multiple issues on and up with my iPhone and bank account as well as a hospital visit and Derrick was related to these issues.

I am charging Judge Hon James B Brady with CLAIM Defamation and Negligence for processing my ticket based on a witness and leaving ticket in the official records at the Farmington Hills Police Department when I was informed by Derrick that my entire legal record for over the past 5 years including parking, driving, traffic tickets, police reports and all legal charges would be EXPOSED.

(including all police reports being expunged)

• I am claiming I identify Timpeny and that and others attempting to destroy and ruin my reputation through harassment, upon moving into my new condo I was harassed by different utility providers when I was trying to set up my services with DTE and was informed by disclaimer that they were testing me and even sent me open mail which I confronted them about.

interrogation report can be received from superior

On today's date I, Ofc. Rosenick was dispatched to the listed address reference a domestic violence call. Dispatch advised the RP's wife was throwing items at him from inside the house. Prior to our arrival the RP's wife left the home in a white Chevy equinox.

Upon arrival, I made contact with the RP, Terrence Liang who advised me of the following. Terrence and his wife, Brandy Liang have been having marital problems. They began to argue over these problems and Brandy got very upset. She grabbed a wedge sandal and threw it at him which hit him in the body. Brandy grabbed a large vacuum cleaner and threw it towards Terrence in attempt to hit him but he was able to move out of the way. Terrence grabbed Brandy and held her to the ground to protect himself. Brandy calmed down shortly after and he let her up. Once he let her up she grabbed his phone and threw it and told him she would continue to break things. At some point Brandy got into her vehicle and left. Terrence repeatedly told me he did not want to press charges.

While on scene Brandy showed up at the house. I spoke with Brandy who advised me of the following. The two were arguing and at some point she got frustrated and threw a wedge sandal at him. Terrence grabbed her and pinned her down and she grabbed his hair to break free. Brandy advised Terrence grabbed her neck to pin her down but had no marks to indicate such. Brandy threw a vacuum but did not state she threw it at him. She left the home moments later.

Neither party had any injuries.

Brandy was placed under arrest (TC/DL) for domestic violence and placed in the rear of my patrol vehicle. She was transported to FHPD where she was processed and lodged.

Terrence was informed she was arrested and did not want her to go to jail and once again advised he would not press charges.

Brandy was issued Ticket #18H03779 for Domestic Violence.
